SUBJECT: Underground Storage Tank (UST) Closure - N.C. National Guard - Lexington
Armory, 201 West Ninth Street, Lexington, Davidson County

Dear Mr. Preddy:

On July 17, 1996, we received the soil sample results and closure assessment for the subject location. After careful review of your report, it appears that no further action is warranted. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Thomas Moore at the letterhead address and/or telephone number.

Sincerely,

A handwritten signature in cursive script that reads 'Sherri V. Knight'.
